RoHS Certificate of Compliance
(Restriction of the use of certain Hazardous Substances)

Easy Radio Modules
DESCRIPTION: Transmitters (ER400/900TS-02) Receivers (ER400/900RS-02) &
Transceivers (ER400/900TRS-02)
DESIGNED & MANUFACTURED BY LPRS IN THE UK

EC directive 2002/95/EC (the RoHS Directive) restricts the use of the hazardous substances in electronic equipment.

The substances referred to and their maximum concentration values are as follows:

Table with 2 columns: Substance Name and Maximum Concentration Value. Includes Mercury (0.1%), Lead (0.1%), Hexavalent Chromium (0.1%), Polybrominated Diphenyl Ethers (0.1%), Polybrominated Biphenyls (0.1%), and Cadmium (0.01%).

We have obtained confirmation from our component suppliers that either their product does not contain any of the substances referred to or that any such substances are within the above allowable levels.

LPRS has taken all reasonable steps to confirm suppliers' statements and maintains a full audit trail of relevant documentation in support of this.

Signed on behalf of Low Power Radio Solutions Limited

Handwritten signature of a representative of LPRS.
