

Low Power Radio Solutions Ltd

LPRS Radio Module Approval Roadmap Q2 2017

As a leading supplier of radio modules to the OEM market, LPRS has undertaken a stringent process of ensuring compliance with regulatory approval standards in all relevant markets.

This includes the standards:

- RED: [Radio Equipment Directive 2014/53/EU](#) for EU compliance.
- FCC/IC: <https://www.fcc.gov/> for North America compliance.

This document specifies the roadmap for all devices.

If you have any specific questions, please contact LPRS via www.lprs.co.uk to discuss further.
